R&B-focused open-format DJ / Producer / Music Creative

R&B-led DJ and multi-genre producer combining private-event performance, music discovery and original edits with a catalogue of 300+ co-produced beats. Co-production credits include Fivio Foreign, Ard Adz and Edot Baby; co-founder of collective Verlies Beats whose releases have achieved 30M+ streams.

DJ & Music Curation

- Performed at private events, drawing on classic and contemporary R&B, hip-hop, pop, Afro, amapiano, gqom and dancehall to deliver versatile, open-format selections.
- Curate R&B and tribal house selections with a focus on discovery, mood and musical flow; balance familiar records with deeper cuts and emerging sounds.
- Published *modern r&b slowjams* (3.4K+ YouTube views) and *r&b hidden gems* (900+ views), showcasing a distinct R&B curation identity.
- Produce public and private song edits and mashups, bringing a producer’s ear for arrangement, texture and musical contrast to DJ-focused creative work.

Equipment & Software: CDJ-2000NXS2 / CDJ-3000; DJM-900NXS2 / DJM-A9; Serato DJ Pro / Rekordbox.

Production & Sound Design

- Produced and co-produced **300+ beats** across genres, generating millions of YouTube views and approximately **£10,000 in leases and exclusive sales**.
- Co-produced releases across international rap scenes, including tracks featured on **GRM Daily** and **Pressplay Music**; produced music for a **Trapstar advertisement seen by millions**.
- Created melody and drum kits used by established producers on major releases; *Hellforged*, *Cybercrime Vol. 2*, *Cybercrime Vol. 1* and *Imperial* each generated thousands of pounds in royalties.
